About MIYANOHITEC

MIYANOHITEC, established in March of 2005.

We go back to 1899 for the full history from Tsunoda Metal Works (in Japan)-> Miyano Metal Works (in Japan) -> Miyano Machinery, Inc. (in Japan)(*1)-> MIYANOHITEC MACHINERY, INC.. With over 100 years of history.

*1: On June 2003, our family gave up the ownership of Miyano Machinery, Inc.(in Japan) owned with a Japanese Citizenship. We re-established again a new machine company by the name of "MIYANOHITEC MACHINERY, INC." as an U.S. based company owned by an American citizenship.
